### **PRINCIPAL MESSAGE**

#### **GO EAGLES!**

Many parents often ask me how they can help their child attend school regularly. By working together, schools and families can establish regular routines for our children. Regular attendance is one of the first steps to academic success. As a parent or guardian, you are the key to supporting attendance by:

- Scheduling appointments for your child outside school hours whenever possible.
- Establishing the routine of being at school each day and on time, from the first day.
- Giving your child a positive view of school ☺
- Planning for school the night before: homework, clothing, lunch and setting alarm clock
- Helping to monitor and support consistent homework completion
- Communicating frequently with your child's teacher and your child's academic progress
- Promoting education as the key to your child's adult independence and future opportunities.

Our next Saturday School will be on Saturday, March 17<sup>th</sup>. Thank you for having your child attend if you have been invited to do so.

Thank you once again to our PTO, for their continuing efforts to support our entire learning community. Please see information below about McKinley Fundraiser through Papa Murphy's Take and Bake Pizza from February 1<sup>st</sup> – February 15<sup>th</sup>. The classroom that sells the most discount cards wins and ICE CREAM PARTY! Good luck Eagles!

☺ Cher Situm, Principal
