San Leandro Mayor Keeps an Open Door to Citizens with Bi-monthly “Coffee with the Mayor”

San Leandro Mayor Tony Santos continues to offer the opportunity for San Leandro residents and business owners to voice concerns and raise issues related to City programs and activities with his regular open office hour sessions at City Hall called “Coffee with the Mayor.”

Mayor Santos’ next meeting is scheduled for Thursday, November 12, at 10 a.m., in the City Council Chambers on the first floor of City Hall, which is located just north of downtown, at 835 E. 14th Street.

“I truly believe in open government and active resident participation to help us, as a City, shape our policies and activities and to know what is of importance to the community” stated Mayor Santos. “Through these open door sessions, I want to give everyone the opportunity to come in and discuss with me things they have in mind – whether they are major issues or just small ways to improve the community. People often feel they don’t have access to government, and I hope this will be an avenue for helping folks become more involved.”
