Stanford Medical Youth Science Program

Stanford medical youth science program is an annual science and medicine-based enrichment program open to low-income and ethnically disadvantaged high school sophomores and juniors who live in northern and central California. This is a five week program, June 20 through July 25, 2010. There is no cost to the participant. Go to

Harvard University

Harvard University announced that from now on, undergraduate students from low-income families will pay no tuition. Harvard's president, Lawrence H. Summers said, "When only ten percent of the students in elite higher education come from families in the lower half of the income distribution, we are not doing enough..." For more information go to
