

Dear Families,

We can't wait to meet you and your child!

We know that we will have a positive exciting year filled with learning.

If you do go school supply shopping this summer, we hope that these suggestions will help.

- a large eraser (not the kind that go on pencils, they break and are easily lost)
- dry erase pens
- glue sticks
- if possible, backpacks without wheels and only large enough to hold a regular sized folder, a lunchbox, and one or two books.
- a pack of white copy paper for copying homework on the copy machines. (If you can donate more than one pack of copy paper that would be great.)
- Facial tissue for runny noses 😊

(Please: no binders, pencil boxes, or pens)

Thank you for your consideration.

Our best to you and yours,

The Second Grade Team
